Song Writing Contest

Get played on the radio!

The 2020 Census is coming. Let’s build community power. Our community gets around $3,000 per person count.

The U.S. census counts the country’s population and households and is used to determine who we can vote for, the number of congressional seats, and distributing more than $675 billion in federal dollars annually to support vital programs in communities like ours... programs for housing, schools, school lunches, transportation, employment, health care and public policy.

Be heard and spread the word.

Contest Criteria & Award Information

• Your song must work with the theme: Don’t Let Them Count You Out and the 2020 Census
• No swear words
• Format: video or audio, 3-5 minutes max
• Submit in one of three age categories: Under 24, Over 25, or Multigenerational
• Submit as an individual or team, in English, Spanish or Haitian Creole

Three winners will be selected and their songs will be played live on local radio. Winners will also receive a gift card award; winning teams must share gift card award.

Submission deadline: by 12:00 a.m. on February 3, 2020
